“OTTAWA WHERE CANADIAN HISTORY MEETS MODERN POSSIBILITY”

Ottawa is more than Canada's capital, it's a city where history, culture, technology, and student life come together.

From the iconic Parliament Hill and the beautiful Rideau Canal to vibrant neighbourhoods, museums, festivals, and outdoor spaces, there is always something new to discover. In winter, the Rideau Canal transforms into a world-famous skating destination, while spring brings the colourful Canadian Tulip Festival.

Ottawa is also known for its growing technology sector and is often called "Silicon Valley North." With English and French communities, students can experience Canada's bilingual culture while connecting with people from around the world.
